The primary role of a camp leader is to be responsible for the care and custody of children 5-13 years of age and to conduct programs for them. Campers are divided into age-appropriate groupings of approximately 6 individuals. It is expected that leaders will work co-operatively and creatively in providing for the needs of the children, and will participate in an evaluation. Where necessary, leaders may be asked to assist in program areas.

*Please note that all Leaders-in-Training must be 14 years of age by July 1 of the current camp year.*

**Selection of Leaders**

Prospective leaders are expected to be present for pre-camp training sessions, known as **Model Camp**. The date for this year's Model Camp at Woodboia is **July 17 to 19, 2018**. Leaders-in- training are 14 and 15 years of age; cabin leaders must be 16 or older. Applicants will be interviewed, and references are checked. Final selection of leaders for each camp will occur following training. It is our hope that leaders will be available for a minimum of two camp sessions. Place a check mark beside the weeks that you are available to work.
